

For Christians, communion has a significant meaning. To receive communion means being in union with Jesus Christ and with one another.

Believers who respond to God's word and become members of Christ's Body become intimately united with him

Communion means breaking and sharing the consecrated Bread which Catholics believe is the Body of Christ. To celebrate Eucharist means community.

UNITY

OUR BIG QUESTION

Why are we happiest when we are united?

REFLECTION

Lord Jesus Christ, in you we know the love of God. When we gather in your name, we experience the marvel of your loving presence which challenges us to live for one another. Help us to follow your example so that we may never become complacent. Help us to listen to your constant call to us to continue the work you began, you who lived and died for us.

Grant this through your Spirit of Love.

Amen.
