

What should I already know?

What a continent is?
Where South America is?
What does the word climate mean?
Where is the amazon rain-forest?
What the climate is like?

What will I know by the end of this unit?

By the end of this unit I will know where South America is located, the countries that make up the continent, the climate and languages that are spoken in South America and its major cultural sites.

Geographical skills and fieldwork

- use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world
