

The key DT knowledge that I will know by the end of this unit will be:

- To be able to explain what a puppet is.
- To know what the main features of a puppet are.
- To know what a running stitch is.
- To know what an over stitch is.

I will show that I can work like a Designer by:

- Cutting out felt using a simple template.
- Adding pieces of felt and other materials to a finger puppet to create features, such as eyes, hats and mouths.
- Using running stitches and/or over stitches to join two pieces of fabric together.

Design Technology - Puppets

What have I learnt before and when:

EYFS
The Story Teller

What I will learn:

Year 2
Puppets

**Famous Person link:
Jim Henson (Kermit the Frog)**

How can I create a puppet?
