

The key DT knowledge that I will know by the end of this unit will be:

- I will explore and analyse existing products.
- I will explore different ways to join fabric using sewing skills.
- I will explore different ways to decorate fabric using sewing skills.
- I will design a Christmas stocking.
- I will use sewing skills to make a Christmas stocking.
- I will evaluate my finished product.

I will show that I can work like a Designer by:

- Use research and develop design criteria to inform the design of a product.
- Generate, develop, model and communicate ideas through discussion, annotated sketches.
- Select from and use a wider range of materials and components including textiles.
- Investigate and analyse a range of existing products.
- Evaluate ideas and products against their own design criteria and consider the views of others to improve their work.

Design Technology - Seasonal Stockings

What have I learnt before and when:		What I will learn:
Year 2 Puppets	Year 3 Storybooks	Year 4 Seasonal Stockings

How can I make a stocking ensuring that it is fit for purpose and it is aesthetically pleasing to the eye?

Vocabulary	Definition
Decorative	Created to be pleasing to the eye.
Design Criteria	Specific goals that must be achieved in order for the product to be successful.
Fabric	Cloth or material that is woven or knitted.
Function	How suited it is to its purpose.
Join	To put, bring, or fasten together.
Sew	To join or fasten by stitches using a needle and thread.
Stitch	A single loop of thread drawn through cloth or other material to fasten together.
