

Holy Souls RC Primary School PE and Sports Premium Funding

The Government is providing funding to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children.

The funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at Holy Souls RC Primary School.

1st September 2021 – 31st March 2022 Sports Premium Funding £10,300.00 1st April 2022 – 31st August 2022 £7,529

Carried forward from April 2021-August 2021 – £5,602.95

Intent	Funding	Implementation	Impact
Pay into BwD Swimming programme.	(school budget)	- Once a week, Year 5 children will attend swimming lessons to ensure swimming and water safety standards are met as outlined in the KS2 PE National Curriculum. - Liaise with Blackburn Leisure Centre for swimming slot and transport. - Children to develop confidence in swimming the required 25m and learn new strokes. - To perform safe self-rescue in different water-based situations.	Children have developed confidence in swimming, have been taught water safety and are working towards swimming 25m with a range of strokes. Any child who hasn't achieved will have targeted opportunity in Year 6.
Pay into Blackburn Rovers Community Trust specialist coaching scheme to deliver the PE curriculum.	£3,514.00	- Liaise with BRFC Head of School Education to create an overview of the year, ensuring all year groups and PE curriculum areas are covered. - Inform staff of the PE overview. - On a weekly basis, 2 PE lessons will be delivered and team-taught between BRFC coach and teachers. - Being mentored by Blackburn Rovers coaches, staff to feel more confident in delivering P.E. lessons in areas identified by themselves as areas for development. - Pupils' fitness levels and skills will improve. - Emphasis of applying skills to sport-related situations.	A clear PE curriculum map is in place, ensuring all staff are covering the national curriculum for all year groups. The team-taught lessons have led to quality teaching, improved confidence for teachers. One member of staff was awarded the Primary Stars Practitioners Award for applying the skills and knowledge from the CPD and extending this further, leading to an acknowledgement of exceptional practice. Children have made good progress with skills development which is being transferred into competitive sports. With the introduction of the Mile A Day incentive, fitness levels have improved.

After school clubs through the Blackburn Rovers Community Trust scheme.	£3,900	- Liaise with BRFC Head of School Education to create an overview of the year for the after school club programme, ensuring all year groups and a variety of sports are offered to our children. - Liaise with office staff to inform parents. - PE Leader to promote school clubs across the school to achieve maximum participation. - To develop specific skills, tactics and teamwork in view of trying and developing new hobbies, promoting healthy lifestyles through the involvement of physical activity and being selected to represent the school in competitions. - To develop confidence and self-esteem.	There is a good range of sporting afterschool clubs which has increased participation across all year groups. The clubs have given children the opportunity to further demonstrate their skills and by providing in-school and external competitions to demonstrate the qualities of team work, sportsmanship and the confidence and tactics needed to aspire to achieve. The introduction of new sports has led to an increase in participation.
Partnership with Pleasington Golf Club to deliver Golf after school clubs and experiences.	£2,400 (includes transport)	- To provide our children with an additional sporting afterschool club delivered by a specialist coach from a local golf club. - To provide our children with the experience of attending training sessions at the golf club itself. - To develop new interests. - To develop confidence and self-esteem.	Children have benefited from the opportunity to use skills and rules taught in school on a real-life golf course and to have those skills improved through professional coaching. Through pupil voice, it was evident that the children had appreciated the opportunity that they otherwise may not have had and their engagement and enthusiasm was evident.
Purchase membership to BwD inter-competition group (Affiliation Fee).	£850	- More opportunities for young people to enter competitive sports events. - Improved children's confidence in physically demanding activities, enhancing their health and fitness. - Promote children to continue participating in sport outside of school. - To develop sporting values such as sportsmanship, resilience, perseverance and teamwork.	Opportunities for KS1 children have increased, leading to an increase in health and fitness, apply fundamental skills to new situations and out of school sports. KS2 football and netball teams have had success in inter-school leagues and matches. Children have demonstrated our sporting values.
Promote OAA aspect of PE by arranging day trips to local outdoor centres.	£2,350	- Liaise with outdoor centres to arrange dates and transport. - Liaise with office staff to inform parents. - Select activities which allow individual and team-based tasks to be complete. - To develop problem-solving skills. - To develop new hobbies and interests. - To develop an appreciation of the outdoors.	Provision for outdoor learning is in place for all year groups through forest schools, attendance to outdoor activity centres and an activity residential for Year 6, children have demonstrated team work, problem-solving skills and appreciation of the outdoors.

		- To develop team work skills and collaboration.	
Physical activity day during Happiness Week.	Included in SLA	- During this themed week, liaise with BRFC Community Trust to have specialist coaches deliver fun, physical activity for each class. - Create a timetable for the day, informing BRFC coaches and staff of time slots.	Linking PE with PSHE has developed a sense of enjoyment in physical activities and strategies which can be used by children to support their mental health and well being.
Enhance teaching and learning through high quality equipment and resources.	£1,000	- Purchase and replace any necessary P.E. equipment. - High quality teaching and learning achieved as a result of readily available resources.	Good quality resources have ensured that high quality teaching and learning have led to improved outcomes.
Develop assessment in PE across the school.	£484 £175 (supply)	- To investigate and effective assessment system.	PE Passport was implemented and has been effective in gathering evidence, short term assessment which links to planning and long-term assessment outcomes.
	£14,673		
Sustainable impact has: • been developed through the use specialist coaches to train staff and develop their confidence. • the purchase of quality resources • through the development of an effective assessment tool. • staff confidence to run afterschool clubs • an awareness of new sporting activities that children can participate in outside of school.
