Dear Parents/Carers

Re: Important Information for all pupils with Asthma - Emergency Salbutamol Inhaler

From 1st October 2014 Schools are allowed to purchase a Salbutamol inhaler. This is for the use of pupils diagnosed with asthma, whose prescribed inhaler is not available for various reasons in the event of an emergency.

If your son/daughter has been diagnosed with asthma and/or has been prescribed an inhaler, please complete the form attached and return it to school.

Inhalers will only be administered to pupils for whom written parental/carers consent for the use of the emergency inhaler has been given. Asthma is a very serious condition and in order for the School to provide the best possible care for pupils with asthma, I urge you to complete and return the form.

Yours sincerely

D Ellison

Emergency Salbutamol Inhaler Consent Form

- I can confirm that my child has been diagnosed with asthma and has a prescribed reliever inhaler.
- My child has a working, in date inhaler, clearly labelled and has been advised to keep it with them at all times.
- In the event of my child displaying symptoms of asthma, and if their inhaler is not available or is unusable, I consent for my child to receive Salbutamol from an emergency inhaler held by the School for such emergencies.
